The declaration of allergens is based on designated ingredients and recipes standardized by les Rôtisseries St-Hubert Ltd. Discrepancies may occur due to variations in ingrédients, preparation, servings or custom requests. All products are exposed to a VERY high risk of cross-contamination in restaurants. Allergens identified by an X are those contained in products according to déclarations from ingredient suppliers. Despite the absence of tree nuts and peanuts in our products, traces may still be present due to cross-contamination at the supplier. Cross-contamination can also induce the presence of all priority allergens, gluten and sulphite traces.
